

William S. Lynn, Ph.D.
12 Mountain Ave., Marlborough, MA 01752
bill@williamlynn.net • www.williamlynn.net • 508-395-7764

CURRICULUM VITA

20 January 2018

George Perkins Marsh Institute, Clark University (September 2011 to date)

Research Scientist (www.clarku.edu/departments/marsh)

- Explore the ethics and politics of sustainability.
- Pursue research and public scholarship.

New Knowledge Organization Ltd. (March 2017 to date)

Research Fellow (www.newknowledge.org)

- Explore the ethics and politics of sustainability.
- Pursue research and public scholarship.

Ethics Consulting (1997 to date)

Principle (www.williamlynn.net)

- Provide ethics advising and training, expert opinions, keynotes, research briefs, meeting design and facilitation, and ethical visioning, messaging and marketing.
- Select Clients: Annenberg Foundation, Association for the Protection of the Adirondacks, Defenders of Wildlife, Humane Society of the United States, International Fund for Animal Welfare, Loyola Marymount University, Minnesota Department of Natural Resources, National Wildlife Federation, Organization of Wildlife Planners, US Fish and Wildlife Service.

Education

- Ph.D. in Geography, University of Minnesota, 2000.
- M.A. in Geography, University of Minnesota, 1993.
- B.A. in Political Science, University of Minnesota, 1989.

Fields of Practice

- Animal Studies.
- Environmental Studies.
- Human Geography.
- Sustainability Studies.

Areas of Knowledge

- Ethics: animal ethics, environmental ethics, sustainability ethics, science and ethics.

Curriculum Vita for William S. Lynn

- Geography: animal geography, nature and society, human geography, history and philosophy of geography.
- Political Theory & Public Policy: ethics and public policy, interpretive policy analysis, ethics briefs, precautionary analysis.
- Theory & Method: critical hermeneutics, qualitative research, history and philosophy of social science.

Academic and Non-Profit Leadership

- Strategic planning, fundraising, budgeting, meeting and workshop planning, meeting facilitation, program development, board development, team building and management, journal administration.

Continuing Education

- Non-profit development and management. Foundation Center, NYC, 2002-2004.
- Large and small group facilitation and training, various organizations, 1997-2001.

Professional Associations

- Member, Association of American Geographers (AAG).
- Member, Association for Environmental Studies and Sciences (AESS).
- International Associate, New Zealand Centre for Human-Animal Studies (NZCHAS).
- Former chair and member of the Ethics Specialist Group, International Union for the Conservation of Nature (IUCN).

Previous Experience

- Senior Fellow for Ethics and Public Policy, Center for Urban Resilience, Loyola Marymount University, 2014-2016.
- Visiting Assistant Professor in Environmental Studies at Williams College, 2008-2011.
- Director of the Masters of Animals and Public Policy (MAPP) program at Tufts University, 2004-2008.
- Executive Director and Senior Research Scholar, Center for Humans and Nature, 2002-2004.
- Research Scholar at the Hastings Center, 2000-2002.
- Assistant Professor of Geography and Environmental Studies, Green Mountain College, 1998-2000.
- Adjunct Professor of Geography, St. Thomas University, 1995-1998.
- Graduate student at the University of Minnesota, 1990-1998.
 - Assistant to the Director, Masters Program for Environmental Learning and Leadership.

Curriculum Vita for William S. Lynn

- Coordinator of Undergraduate Advising for the Department of Geography.
- Research Assistant and Teaching Assistant for the Departments of Geography, Political Science, and the Program in Conservation Biology.

Awards, Fellowships, and Grants

Advisor, “East Boston — Communities Advancing Science Literacy”. Grant proposal from the New England Aquarium to the Institute of Museum and Library Services, under review.

Advisor, “Changemakers: Communities Advancing Science Literacy”. A National Science Foundation “Pathways to Science” grant to the New England Aquarium, 2017.

Shin Pond Writing Fellowship for 2017. Humane Society of the United States.

Shin Pond Writing Fellowship for 2015. Humane Society of the United States.

Co-Investigator, “Ballona Initiative”. \$100,000 grant from The Annenberg Foundation to the Center for Urban Resilience at Loyola Marymount University, 2014-2015.

Co-Investigator, “The Value of Urban Parkland: A Park User Survey Study of the Baldwin Hills.” \$295,000 grant from the Baldwin Hills Conservancy to the Center for Urban Resilience at Loyola Marymount University, 2014-2015.

Human-Animal Studies Fellowship, Animals and Society Institute and Clark University, 2010.

Development gift of \$25,000 for student scholarships in the Master of Science in Animals and Public Policy Program, Tufts University, 2008.

Tamarind Foundation grant of \$100,000 for the Animals, Society and Ethics Initiative, 2002.

Most Inspiring Professor Award, Honours Students, Green Mountain College, 1999.

Ralph Hall Brown Award for Best Publication, Department of Geography, University of Minnesota, 1997.

Young Research Scholars Award, Royal Geographical Society / Institute of British Geographers, 1997.

Curriculum Vita for William S. Lynn

Darrell Haug Davis Memorial Fellowship, Department of Geography, University of Minnesota, 1996-1997.

Summer Research Fellowship, Department of Geography, University of Minnesota, 1995.

Ralph Hall Brown Award for Best Publication, Department of Geography, University of Minnesota, 1993.

Editing and Reviewing

Co-founder and member of the editorial team for *Ethics, Policy and Environment* (previously *Ethics, Place and Environment*), an international, interdisciplinary, and peer-reviewed journal, 1996-2004.

Manuscript reviews for professional journals and organizations, including:

Capitalism Nature Socialism; Ethics, Policy and Environment; Ethics and the Environment, Environment and Planning A; Environmental Science and Policy; Geoforum; Humanimalia, Hypatia, Cartography and Geographic Information Systems; Journal of Rural Studies; Philosophy and Geography; Society and Animals, The Professional Geographer; Worldviews; Animals; Animals and Society Institute, Blackwell Publishers; Global Wildlife Resources; International Fund for Animal Welfare; Sage Press; Temple University Press; University of Minnesota Press.

Teaching at Williams College

- Envi 101 - Nature and Society: An Introduction to Environmental Studies

Curriculum Vita for William S. Lynn

- Envi 306 - Interpreting Nature and Society [a policy methods course]
- Envi 309 - Understanding Environmental Policy [a policy theory course]
- Envi 402 - Senior Seminar: Ethics and the Environment
- Envi 402 - Senior Seminar: Sustainability

Teaching at Other Institutions¹

Graduate Courses

- Environmental Ethics and Conservation Biology
- Ecoterrorism
- Ethics and Politics of Wolf Recovery
- International Environmental Non-Governmental Organizations
- Human-Animal Studies
- Political Animals and Animal Politics
- Public Policy
- Qualitative Research
- Research Ethics and Design

Undergraduate Courses

- Animal Worlds
- Environmental Studies
- Environmental Science
- Environmental Geography
- Human (World) Geography
- Land-Use Ethics
- North American Geography
- Physical Geography
- Research Seminar

Advising

Masters and Doctoral Students

- Kristen Stewart, Ph.D., Geography, Florida State University, 2006.
- Gavin Van Horn, Ph.D., Philosophy and Religion, University of Florida, 2009.
- Lisa Stoddard, Ph.D., Geography, Clark University, 2013.
- April Sandifer, M.S., Urban Ecology, Loyola Marymount University, 2015.
- Stephen Vrla, Ph.D. candidate, Sociology and Animal Studies, Michigan State University.
- Josephine Martel, Ph.D. candidate, Natural Resources, Cornell University.

¹ These institutions include Tufts University, Green Mountain College, St. Thomas University, and the University of Minnesota.

Curriculum Vita for William S. Lynn

- Francisco J. Santiago-Avila, Ph.D. candidate, Environment & Resources, University of Wisconsin.

Faculty advisor and research mentor to students in the Environmental Studies program at Williams College, 2008-2011.

Faculty advisor to all graduate students in the Masters program in Animals and Public Policy (MAPP) at Tufts University, 2004-2008.

Faculty advisor, internship supervisor, and work-study supervisor to environmental studies students at Green Mountain College, and the University of Minnesota, 1998-2000.

Curriculum Advisor to undergraduates in the Department of Geography, as well as graduate students in the Masters Program for Environmental Learning and Leadership, 1993-1997.

Interviews, Backgrounders, etc.

These entries include backgrounders, expert opinions, and interviews.

Interview with Chuck Kopczak on the ethics and science of human-dog relationships, 3 November 2016. For a future California Academy of Science exhibit on dogs.

Interview with Meredith Woodward King on the ethics of managing barred owls, 3 June 2016. For the article "Spotted Owls vs. Barred Owls: Clark Ethicist Helps Guide Debate on Protecting Species." Clark University ResearchMatters, 1 September 2016, <http://www.clarku.edu/blogs/spotted-owls-vs-barred-owls-clark-ethicist-helps-guide-debate-protecting-species>.

Interview with Emily Sohn on the ethics of managing barred owls, 3 February 2016. For the article "Owl Wars". *bioGraphic*, 17 August 2016, <http://www.biographic.com/posts/sto/owl-wars>.

Interview with Michael Freeman on the ethics and science of managing outdoor cats, 7 January 2016. For the article "The Gordian Knot: Feral Cats and Wildlife". *Northern Woodlands Magazine*, Summer 2017: 55-58.

Interview with Sarah DeWeerd on the ethics and science of coywolves, 17 November 2015. For the article "Part Coyote, Part Wolf, Part Dog: Enter the Coywolf." *Newsweek*,

22 December 2015, <http://www.newsweek.com/2016/01/08/part-coyote-part-wolf-part-dog-enter-coywolf-407868.html>.

Interview with Scott Sandsberry on the ethics of killing in conservation, 22 October 2015. For the article "An ethical dilemma: Is it OK to kill one species to save another?" *Yakima Herald*, 6 November 2015, http://www.yakimaherald.com/sports/outdoors/an-ethical-dilemma-is-it-ok-to-kill-one-species/article_0e26b6c0-81fa-11e5-94cf-ebde44db4bba.html.

Interview with Sarah DeWeerd on the ethics of barred owl management. For the article "Killing Barred Owls to Keep Spotted Owls Breathing." *Newsweek*, 17 May 2015, <http://www.newsweek.com/killing-barred-owls-keep-spotted-owls-breathing-332540>.

Interview with Brook Jarvis on the ethics of barred owl management, 27 October 2014.

Interview with Isabelle Groc on the ethics of barred owl management. For the article "Shooting Owls to Save Other Owls." *National Geographic*, 19 July 2014, <http://news.nationalgeographic.com/news/2014/07/140717-spotted-owls-barred-shooting-logging-endangered-species-science>.

Interviews with Warren Cornwall on the ethics of barred owl management. For the article "There Will Be Blood". *Conservation Magazine*, 24 October 2014, <http://conservationmagazine.org/2014/10/killing-for-conservation/>.

Interview with Elizabeth Shogren on the ethics of barred owl management. For the national broadcast "To Save Threatened Owl, Another Species is Shot". National Public Radio, 15 January 2014, <http://www.npr.org/2014/01/15/262735123/to-save-threatened-owl-another-species-is-shot>.

Interview with Cory Eldridge, "Examining the Ethical Implications of Killing Barred Owls". Think Out Loud, Oregon Public Radio, 11 September 2013, <http://www.opb.org/radio/programs/thinkoutloud/segment/ethical-killing-barred-owls/>.

Background interviews on the ethics of barred owl removal, with the *Globe and Mail* (Vancouver), *The Oregonian* (Portland), and *Seattle Times*, 24-27 July 2013.

"Playing God", a radio interview on Oregon Public Radio's *Think Out Loud*, 17 June 2008, <http://action.publicbroadcasting.net/opb/posts/list/1214810.page>.

Curriculum Vita for William S. Lynn

Background interview on the ethics of wolf recovery. With Peter Metcalf of *New West Magazine*, 23 May 2008.

Background interview on the ethics of endangered species management. With Kim Todd of *High Country News*, 17 May 2008.

Print interview with Lesley Limon, for the article "How Close? How Personal"? *Tufts Veterinary Medicine* 7 (3), 12-16, 2006.

Background interview on the ethics of feeding wildlife. With Dierdre Dolan of *All Animals* magazine, 02 August 2006.

Capacity development in ethics and values messaging. For the International Fund for Animal Welfare (IFAW), Yarmouth Port, MA, 22 June 2006.

Earth Day radio interview with Kris Prinzing on Yellowstone Public Radio's "Waste Not, Want Not: Conserving the Last Best Place", 22 April 2005.

Background on the ethics and marine mammal management, for the International Fund for Animal Welfare (IFAW) at the US Marine Mammal Commission, Advisory Committee on Acoustic Impacts on Marine Mammals, San Francisco, CA, 26-29 July 2004.

Background interview on the value of ethics in wolf education. With James Williams of the International Wolf Center, 13 April 2004.

Print interview on the ethics of wolf recovery. With Tom Arrandale of *Governing* magazine, Chico, MT, 08 April 2004.

Radio interview on the ethics of wolf recovery. With Kris Prinzing for Yellowstone Public Radio, Billings, MT, 07 April 2004.

Film interview for the independent film *Critter*. With the producer Vanessa Renwick, Banff, Alberta, 28 September 2003.

Radio interview on human-animal relations. With Bob Staller, Public Affairs Host for WFAN (NY), 06 August 2003.

Curriculum Vita for William S. Lynn

Video interview on animals, ethics and ecological restoration. With Eve Greene for the video project *Earth: A Users Manual*, University of Vermont, Burlington, VT, 26 April 2003.

Background interview on wildlife conservation and animal biotechnology. With Eric Druckenmiller, *Wildlife Conservation Society* magazine, 25 April 2003.

Expert opinions on the ethics of predator recovery. For the New York Bioscape program of Wildlife Trust, June through December 2002.

Background interview on animal biotechnology. With Hillary Mayell of *National Geographic*, 14 August 2002.

Video interview on 'roborats' and the ethics of animal biotechnology. With Jennifer Stromberg of Science Times TV / *National Geographic*, Hastings Center, Garrison, NY, 11 July 2002.

Background interview on ethics and animal cruelty. With Robert Miller of the *News-Times of Danbury*, 24 June 2002.

Background interview on the ethics of immuno-contraception in wildlife. With Wendy Kefover-Ring of the Predator Conservation Alliance, 19 June 2002.

Background interview on the use of animals in medical research. With Andrew Goldsworthy of *Time*, 5 June 2002.

Background interview on the cloning of companion animals. With Wes Allison of the *St. Petersburg Times*, 22 February 2002.

Background advice on the content and format of a code of ethics for film-makers involved in conservation. With Carolyn Underwood of Film-makers for Conservation, 27 June 2001.

Background interview on animals, ethics and biotechnology. With Jill Landes of CBS's *60 Minutes II*, 20 April 2001.

Scientific Review Panel for the Ethical, Legal and Social Implications Program, Genomic Study Section, Center for Scientific Review, National Institutes of Health, Washington, DC, 29 March 2001.

Codes of ethics for science centers (with Bruce Jennings). For the Liberty Science Center, Jersey City, NJ, 20 March 2001.

Interview on ethics and the restoration of wolves in the Adirondacks. For John Johnsen, Ph.D. (Anthropology, Utica College, NY), Garrison, NY, 13 December 2000.

Background interviews on geographic concepts of landscape and place in the theorization, practice and pedagogy of environmental ethics and philosophy. With Christopher Preston (Philosophy, University of South Carolina), University of South Carolina, Columbia, SC, 2-5 December 2000.

Keynotes and Presentations

The following include keynotes, workshops, conferences papers, guest lectures, research project meetings, etc. Private presentations for consulting partners are not listed.

“The Parable of the Wolf.” Plenary for the Living Large conference. Washington D.C., 12 October 2015.

“Interdisciplinarity: Science and Ethics in the Urban Century.” Plenary Keynote for the Southern California Academy of Science, Loyola Marymount University, Los Angeles, CA, 15 May 2015.

“The Ethics of Managing Urban Meso-Predators.” Southern California Academy of Science, Loyola Marymount University, Los Angeles, CA, 15 May 2015.

“The Ethics of Urban Ecology.” Keynote presentation for the Annenberg Foundation series, The Urban Ecosystem of Los Angeles: A Discussion About Our City’s Future, 12 November 2014

“Introduction” for the Annenberg Foundation series, The Urban Ecosystem of Los Angeles: A Discussion About Our City’s Future, 25 August 2014

“Animals, Ethics and Urban Ecology in the Ballona Wetlands.” Guest lecture at Loyola Marymount University, Los Angeles, CA, 1 May 2014.

“Barred Owls: An Ethics Brief.” Guest Lecture at Loyola Marymount University, Los Angeles, CA, 29 April 2014.

“The End of Biodiversity? Ethics, Public Policy and the Super-Predator *Felis catus*.” Marsh Institute Speakers Series, Clark University, Worcester, MA, 26 September 2013.

Curriculum Vita for William S. Lynn

“Outdoor Cats and Wildlife: Ethical and Policy Implications.” Guest lecture for the Humane Society Institute for Science and Policy, Gaithersburg, MD, 31 May 2013.

“A More Than Human World.” Guest discussant for Naturalizing Social Contracts: Environmentalism, Extraction and Non-Human Subjects in the Andes and Amazon, Latin American Studies Association, Washington, D.C., 30 May 2013.

“Outdoor Cats and Biodiversity: What are the Implications for Ethics and Public Policy?” Earth Week Keynote for the Friends of the Assabet River National Wildlife Refuge, Assabet River NWR Visitor Center, Stow, MA, 24 April 2013.

“Outdoor Cats, Ethics and Public Policy.” Training seminar for the founding meeting of the Outdoor Cat Stakeholders Group, Loyola Marymount University, Los Angeles, CA, 3 April 2013.

“Wicked Policy Problems and Outdoor Cats.” Workshop for Found Animals Foundation, Los Angeles, CA, 2 April 2013.

“Ethical and Policy Implications of Thinking Animals.” Panelist for the Thinking Animals Lecture Series, Hunter College, New York, NY, 15 March 2013.
